Please consider this a request under Georgia's Open Records Act. Responsive documents should be obtained from the county, and its contractor AECOM. Please provide me with the all responsive documents from Sept. 15, 2015 to present:

- All final design work performed thus far on the bridge.
- All cost estimates associated with the design work.
- All monthly reports submitted to the county by AECOM.
- All meeting minutes from meetings with AECOM/DOT staff, and all meeting minutes of charrette meetings.
- All emails related to the bridge **since Sept. 15, 2015**. Please search for the following people's emails for responsive records: Faye DiMassimo, Karyn Matthews, Jim Wilgus, James Hudgins, Keith Melton, Eric Meyer, Chris Pruitt, David Hankerson, Tim Lee (personal and public email accounts), Kellie Brownlow, AECOM; The Cobb Galleria Authority members and Cumberland CID board members. **Special Note: Please make sure to include all attachments from responsive emails.**
- All applications for federal or state grant funds related to the pedestrian bridge and the Galleria parking deck reinforcements.
- Please provide all cost estimates and engineering associated with the Galleria deck reinforcements.
- All bridge/deck renderings; animated video of the bridge.
- Revised construction schedule and/or project timeline.
- All invoices submitted by AECOM, regardless of timeframe.

Thank you,
